

Westfield State University

Human Resources

Employee Recognition

Congratulations to the following faculty and staff who have been recognized by a member of our campus community for living the WSU values, carrying out the WSU mission or going above and beyond in your daily duties.

Angelo Mazza
Facilities and Operations

I would like to thank Angelo for his assistance in stepping in and helping with our plumbing needs. The recent vacancy left the university in a tough situation regarding work needed to be completed before our students, faculty and staff came back for classes. Your dedication and commitment are truly appreciated.

Jennifer Gould & Dan Robie
Facilities and Operations / Dining Services

Jennifer and Dan have done a great job of creating templates for use with DocuSign, including No Bid Sole Source and Change Order Request Forms. With their help, we should be able to finalize templates for these forms in the near future.

Cory Szpakowski
Dining Services

Cory Szpakowski has been with Dining Services for more than 9 years. Cory's role is currently a Kitchen Manager. He is an excellent communicator, the best example of a leader, a Manager can ask for. He gives respect to all co-workers, and always asks if he can help or support them in any situation. Cory is self-motivated, and takes pride in all of his tasks. Cory handles curve balls throughout the day (and there are many) with grace, and class. He has the fortitude that lets you know, "we are going to make this happen no matter what". We need more Cory's in the world. His Team, and Students always come first.
